

#token- < where_we_dropping >#
Your personalized plans to escape the US!

Please navigate to this location. 42.292982, -83.716084

Once there you will find a locked box containing your plans.

The code to the box is the answer to the following security question you specified: "The course I most wanted to take in college but couldn't". The area is not secure so move swiftly.

This location is completely secret and you must not share it or you will compromise your plans.

Good Luck and thank you for choosing Escape the US for Cheap!
